

Dear Potential Mentors:

We are delighted that you are interested in receiving information about the 4C Coalition Mentor Program. As you know young people need adults in their lives who are role models, supporters and confidantes. Mentors are trusted guides and coaches who assist and encourage youth in achieving their goals

The 4C Coalition Mentor Program partners with King County Juvenile Court, Department of Labor and The City of Seattle in this new approach to helping teenagers caught in the cycle of drugs, alcohol and crime. The 4C Mentor Program promotes new opportunities and standards of care in juvenile justice by bringing mentors and communities together to improve pro-social activities and to help our young people in trouble with the law and to “reclaim our youth”.

Mentors come along side of the youth and introduce them to pro-social activities and help them make positive life choices. You can make a real difference in the life of a young person in our community.

In order to become eligible to mentor a youth, you must complete a New Mentor Training. **We host our New Mentor Training one Saturday each month from 9:30am-4:30pm.** To register for the next training please call 206-568-0391. We hope you can attend soon.

Breakfast and lunch are included

We look forward to meeting you. Thanks for caring and your desire to help a youth!

Sincerely,

A handwritten signature in blue ink that reads "Hazel".

Mentor Program Essentials

Mentors are recruited from the community to work with youth that may be currently involved in the King County Superior Court system or Seattle Youth Violence Prevention Initiative. The goal of the 4C Coalition Mentor Program is to help young people make better life choices including, leading a life that is crime and drug free, with the aid of a caring adult. A mentor offers support and encouragement to the youth while the youth learns to serve the community better and have a more hopeful outlook for his/her future.

Mentors are members of the community who:

- Are 21 and older
- Attend a 6-hour training designed to give the mentor information about the program and the youth involved in the juvenile justice system. A scripted training has been developed to insure that mentors are trained uniformly.
- Consent to a Washington State Patrol background check.
- Make a one (1) year commitment to a youth and the Mentor Program.
- Meet or make weekly contact with his/her assigned youth while the young person is in the community.
- Contact Mentor Program staff to check-in regularly and attend -quarterly Mentor Workshops where mentors and mentees connect and receive on-going training.

The Mentor Program staff spends their time recruiting, training and supervising mentors, recruiting youth and speaking in the community on issues related to 4C Coalition Mentor Program. The Mentor staff also plans and facilitates quarterly mentor workshops and seminars. The staff also helps mentors locate resources for their youth. The Mentor staff works closely with the youths' probation counselors.

The 4C Coalition Mentor Program is designed to provide mentors to 155 youth. The 4C Coalition Mentor Program is funded to help young people live substance/crime-free lifestyles. Community members mobilizing to support young people returning to the community is a key part of the 4C goal and vision.
